

.bashrc up

To cd up a certain number of times, add this to your .bashrc file

```
up() {  
    local d=""  
    local limit="$1"  
    if [ -z "$limit" ] || [ "$limit" -le 0 ]; then  
        limit=1  
    fi  
  
    for ((i=1;i<=limit;i++)); do  
        d="$../$d"  
    done  
  
    if ! cd "$d"; then  
        echo "Path shallower than $limit";  
    fi  
}
```
